

# **WINDOW OF FAITH: Be Patient? (Week 6)**

**Clint Craig – 10 March 2019**

## **Discussion and Questions:**

1. What was happening the last time you didn't have the patience and found yourself super frustrated?
2. Have you ever thought much about pain & suffering and how it reconciles with a good and loving God? How have you reconciled the two?
3. Read James 5:7-8. Why do you think James uses the illustration of a farmer when encouraging people to be patient?
4. Read James 5:10-11. In light of the examples James uses - especially the prophets and Job, how does our suffering compare?
5. Knowing in those previous examples, God was fully there and aware, even though it seemed God was absent - how do we hold on to that truth, especially when suffering ourselves?
6. How do these passages in James 5 tie in with how James opened his letter (James 1:2-4)?
