

Turn the Page (Week 1)

Clint Craig – 24 January 2021

Discussion and Questions:

1. Recount to the group one of the most amazing things you have ever seen. Why do you think you can still remember it?
2. Have your bibles open at John 11 and the story of Lazarus. Read also what John said in chapter 20:30-31. What does "... believe and have life in His name..." mean to you?
3. Submitting your life to the will of God sounds risky and hard. How can a person get themselves to a position of being ok with that and stepping out?
4. How can John 11 verses 1 to 7 help you rest in Gods timing for something big you may be asking God for?
5. Clint gave 4 things a follower of Christ can do to help themselves know what God wants for them. What were they?
(1. Read the bible. 2. Pray. 3. Fast. 4. Seek wise counsel). Discuss together experiences some of you have had with any or all of these things over the years.
6. As you look at your "blank page" of 2021, do you already know what God is calling you to do? If so, share it with the group. If not, be honest about why you dont. We are here to support.
